

COVID-19 (Coronavirus)

COVID-19 is still active and real and has taken a personal toll on our employees and their families, including the death of a loved one. Tyler CAD remains vigilant to protect our employees and our citizens.

In continuing to follow CDC guidelines, we will practice social distancing.

Due to the size of our lobby area, the Tyler County Appraisal District is only allowing two people at a time in the lobby.

Protest Information

In an effort to reduce the risk of spreading Covid-19, and to allow appraisers time to respond to telephone and email inquiries, appraisers will not be able to initially meet with taxpayers in person to discuss value for the 2021 protest season. Informal meetings will initially be handled strictly via phone or email. Appraisers will schedule in person meetings as might become necessary. Please also take advantage of our new drop slot located in the front door to our office - to submit protest forms, evidence packets, etc.

IT IS IMPORTANT TO US THAT YOU PRESERVE YOUR OPPORTUNITY TO DISCUSS YOUR NOTICE WITH US, THEREFORE, YOU ARE ENCOURAGED TO GO AHEAD AND FILE A PROTEST, IN CASE APPRAISERS ARE NOT ABLE TO CONTACT YOU UNTIL AFTER THE PROTEST DEADLINE.

We have recently added a secure drop slot in the front door to the office. You may now submit documents via the drop box located at our office at 806 W. Bluff St. in Woodville. Please include your name and phone number, and if possible, the address and Property Identification Number, with all submissions. Our staff will contact you if we have any questions.

We appreciate your cooperation during this challenging time as we strive to keep our employees and community safe.
